## October 2010 COMPETITION

### GRANTS

## Post-graduate Student Projects, Clinical Research Projects and Pilot Projects

**Deadline to submit your letter of intent (mandatory):  
SEPTEMBER 15, 2010**

**Deadline to submit your full application:  
OCTOBER 15, 2010**

GRIISIQ is offering grants for POST-GRADUATE (master, Ph.D. or post-doctoral) student projects, Clinical Research Projects and Pilot Projects focusing on the development, testing and/or refinement of nursing interventions with clinical outcomes.

This grant competition is intended for candidates enrolled in a full time graduate studies program or post-doctorate internship at the School of Nursing or Faculty of Nursing Sciences of one of GRIISIQ's partner Universities<sup>1</sup> and for researcher of GRIISIQ. The candidate must also be supervised and/or co-supervised by a faculty member who is a regular or emerging researcher of GRIISIQ.

**IMPORTANT** : Before submitting your letter of intent, to verify eligibility criteria and to confirm use updated application documents please contact GRIISIQ's associate director at (514) 890-8116 or write to [jackie.cyr@umontreal.ca](mailto:jackie.cyr@umontreal.ca) .

**Additional information also available through GRIISIQ website at [www.griisiq.ca](http://www.griisiq.ca)**

<sup>1</sup> The 4 partner Universities are: University of Montreal, McGill University, Laval University and University of Sherbrooke.
